

CURRICULUM VITAE

SHELDON KIPNGETICH

Tel: 0740859255

Email: sheldonletting04@gmail.com

Personal Profile

I'm a passionate web designer with of experience creating user-centered, visually appealing, and responsive websites. I specialize in modern web technologies and strive to deliver engaging digital experiences that are both functional and aesthetically pleasing.

I am also experienced in building dynamic, responsive websites and web applications. My passion lies in creating intuitive user interfaces using the latest web technologies, ensuring seamless performance and accessibility across all devices.

Career Objectives

To apply my expertise in front-end development to create lightning-fast, SEO-optimized, and accessible websites. I aim to work on projects that challenge my skills in performance optimization, utilizing modern techniques such as lazy loading, code splitting, and caching to ensure superior user experience across devices.
